Next week

A Double down on short chess style reels

The chess reel brought 15,856 reach and 1,148 interactions, the top single post, so repeat that format and tone.

B Shift mix to reels next week

Top reach posts were reels like chess 15,856, iOS on Redmi 7,525, and NVIDIA 6,656, so shift mix to reels.

C Target Germany with localized content

Germany had 2,667 viewers, third highest, but is absent from top five follower countries, signaling untapped reach.
