What the numbers say

1 **Two reels drove 70 percent of reach**

NVIDIA CEO reel reached 4,061 accounts and Tesla Cybercab reached 1,946. Together they reached 6,007 of 8,534 total accounts.

2 **Interactions fell 66 percent week over week**

Total interactions dropped to 1,260 from 3,726, and engaged accounts fell to 520 from 2,307.

3 **Comments dropped to 10 across 62 posts**

The account got 10 comments, down from 34 last period and below the 15.25 four period average.

4 **Profile views fell to 92 from 247**

Profile views were 92, down from 247 last period and below the 142.75 four period average.

Next week

A **Publish more reels on major product news**

Reels led reach with 4,061 and 1,946 accounts, far above many carousel posts that stayed under 300.

B **Cut low performing carousels or repackage them**

With 62 posts producing only 1,260 interactions, many carousel posts under 300 reach did not earn their place.

C **Ask followers direct questions on carousels**

Comments fell to 10 from 34 last period, so posts need a direct question to prompt replies.
